

The diagram consists of two main horizontal bars. The top bar is dark blue and contains the formula 'Total Privacy Compensations = Service Price × C, C < 1'. The bottom bar is divided into four segments of different shades of blue, representing individual compensations for Alice, Bob, Charlie, and David. A large, curved blue arrow originates from the left side of the top bar and points towards the 'Alice's Privacy Compensation' segment of the bottom bar.

Total Privacy Compensations = Service Price $\times C$, $C < 1$
